

HUTCHINS FARM PRODUCE CALENDAR

The following calendar represents our best guess as to when our various crops will be available during the season, but nothing is certain in this world. The small 'x' indicates limited or tentative availability, usually at the beginning or end of a crop's natural season, the large X indicates that the crop is normally abundant at that time.

CROP	APRIL			MAY			JUNE			JULY			AUG			SEP			OCT							
AMARANTH							x	X	X	X	X	x	X	x	X	X	X									
APPLES																	x	x	X	X	X	X	X	X	X
